LOCATION

The Mount Washington Swimming Club is conveniently located just off Greenspring Avenue near Northern Parkway at 2300 Enslow Road, surrounded by trees in a country-like setting. Membership is available to all residents of Mount Washington and persons from outside the neighborhood (limited basis).

AMENITIES

The Club features a large new swimming pool with general swim areas, lap lanes, diving board and a special play section for "sharks and minnows". The separate children's pool is fenced for safety. Certified lifeguards are always on duty. Clean changing and shower facilities are available.

Grab one of the readily available lounge chairs and relax amid the mature trees and grassy hills which surround the pools. The grounds are fully enclosed and include picnic areas, ping pong tables, a basketball court, volleyball net, a shaded playground and climbers for our youngest members. Ice Cream and Soda are available at the clubhouse, or picnic with take-out from our fine local restaurants. (Pizza, Subs, Chinese, Indian... and they all deliver!!) Many members use the pool grounds for private parties.

For those brave members who like to do their laps early in the morning, we offer a Penguin Club. Private swim lessons are available for little swimmers. As a service to the community, the Club is open to non-members for a neighborhood swim (limited hours).
